

# EVENT RULES

1. The format of play will be a scramble. A team of players tee off, the best shot is selected and all players hit again from that best spot. The best second shot is selected, and all players hit again from that best spot, and so on until the ball is holed out.
2. Men will use the **gold** tees. Women will use the **burgundy** tees.
3. All lies may be improved, except in a hazard. In the event that a hazard lie is chosen as the best ball, the player whose ball is in the hazard will play first. The other players will drop a ball at arms length within one club length of the first player's ball position.

Red Stakes: Lateral Hazard

Yellow Stakes: Water Hazard

White Stakes: Out of Bounds

White Lines: Ground Under Repair

Free drop from all drainage sumps

4. Scorecards must be signed by two (2) members of the team. Please bring completed scorecards to the course professional immediately following play.
5. Ties will be broken by the format determined by the course professional.
6. Please keep your pace of play at a ready golf level. **Par is your highest score!** If you miss your birdie attempt, please pick up as your par is conceded.
7. Golfer's Handicap "putt stick" is only good on the putting greens and **each inch can only be used one time during the round**. All 36 inches can be used all at once, however that will deplete your "putt stick".
8. Mulligans, up to 3 per person, may be purchased for \$5.00 each or three (3) for \$10.00 at the start of the day. Other games for the day include:

Longest Drive – Men                      Hole #9

Longest Drive – Women                  Hole #10

Closest to the Pin – Men                Hole #5

Closest to the Pin – Women            Hole #12
